

NEW TRUCKTECHNIC PNEUMATIC VALVES RANGE EXTENSION

MAY 2015

Dear Customer,

Meritor is pleased to announce the launch of new pneumatic valves, extending our Trucktechnic valve range to over 1,000 part numbers.

These new references, which are all new and not remanufactured, covering Wabco applications and include:

- Automatic Load Sensing Valves x 16
- Foot Brake Valves x 5

Feature and Benefits

- As a recognized specialist in Commercial Vehicles braking systems our expertise ensures we deliver a high quality product, at a price right for the aftermarket
- Over 1,000 valves, air dryers and service kits covering a variety of air braking and air suspension functions
- Fully tested and approved in line with Original Equipment Manufacturer standards
- ISO TS16949 approved production facilities
- Full traceability of all products
- Premium Packaging
