

NEW TRUCKTECHNIC PNEUMATIC VALVES RANGE EXTENSION

DECEMBER 2014

Dear Customer,

Meritor is pleased to announce the launch of 59 new valves, extending our TruckTechnic valve range to over 1,000 partnumbers.

These new references, which are all new and not remanufactured, are for Wabco applications and include:

- Charging Valves x 47
- Pressure Limiting Valves x 2
- Double Check Valves x 1
- Two Circuit Protection Valve x 1
- Three Way Valve x 1
- 3/2 Directional Control Valve x 1
- Solenoid Valve x 1
- Levelling Valves x 2
- Ecas Height Sensor x 1
- Anti-Compound Valve x 2

Feature and Benefits

- As recognized specialist of Commercial Vehicles Brakes Systems we are able to use our expertise in specifying Air Systems Products like Air Dryers and Valves.
- OE Fast moving products range coverage on pneumatic valves increased to 50%.
- Meritor standards selected sources ISO TS-16949 approved
- Production batch Traceability

Meritor has invested its Quality and Engineering resources to ensure the desired product quality with very competitive market prices.

We expect to have the products available for sales from February 2015 on.

This is the first big phase of valves re-launching, there is more to come.

If you have any questions, please contact your local Meritor representative.

Best Regards,

Your Sales and Marketing Team
