Launch Promotion:

Special Net pricing for all orders of minimum €1'000 in TT Air Springs

Valid till 27th February 2015

Not Valid on scheduled orders

At launch, the range will be supported by a new revised catalogue with drawings, vehicle and fitment details shown in an "easy to read" format, including a comprehensive cross-reference list to all major Air Spring manufacturers and suppliers.

Also, and most important, the TruckTechnic offer is provided at market competitive pricing.

The attached list prices and standard discounts apply from 1st December 2014.

If you have any questions, please contact your Meritor representative.

Best Regards,

Your Sales and Marketing Team
