

NEW TRUCKTECHNIC COMPRESSORS AND KITS RANGE EXTENSION

OCTOBER 2015

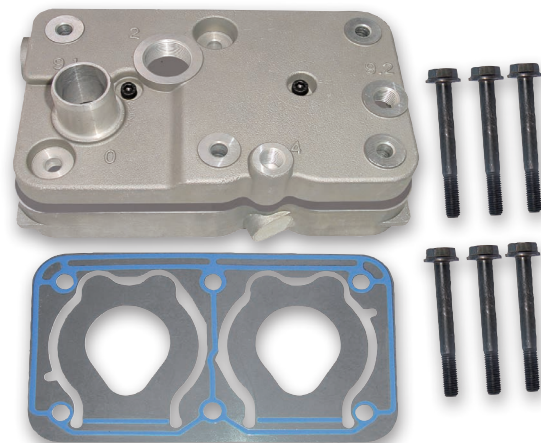

Dear Customer,

Meritor is pleased to announce the launch of new compressors and service kits, as follows:

Feature and Benefits

- New compressor Crankcase alloy
- Durability increased and similar to OE
- Double the expected life of aftermarket alternatives
- Re-engineered to give improved wear resistance
- Mechanical properties comparable with OE product
- Performance and power consumption equal to OE product
- Sourced from ISO TS-16949 approved supplier
- Each production batch has full traceability

Meritor has invested his Quality and Engineering resources for suppliers selection and development and parts validation in order to provide the desired product quality with very competitive market prices.

We expect to have the products available for sales from November 2015 on.

The designated trademarks are registered marks of their respective owners and neither Meritor or Trucktechnic are commercially connected, affiliated or associated with any of such marks. The Meritor and Trucktechnic products presented herein are not endorsed or authorised by any of the trademark owners.
